

BITS & PCES

NEWSLETTER OF THE PACIFIC COAST ENTOMOLOGICAL SOCIETY

Number 156

April 2004

Editor: Suzanne Ubick

The Pacific Coast Entomological Society will meet at
8 PM on Friday **16 April 2004**,
at the Morrison Auditorium of the
California Academy of Sciences

Patrick R. Craig
will present a talk entitled
“Digital Entomology”

Important Notice

Effective April 2, 2004, the Editorial Board and Instructions to Contributors have changed. The temporary website for the Society web presence is:

<http://www.cdfa.ca.gov/phpps/ppd/Entomology/PCES/index.htm>

All potential contributors are requested to consult the web pages for the new contact details, new instructions, preferred electronic submission instructions and format requirements.

The Times, They Are A Changing

There is no parking available on the Cowell Hall side of the Academy, due to construction work on the new parking garage.

All parking is now on the Wattis Hall (Middle Drive) side, with entry only through the Wattis Hall doors. Beware the four-hour parking restriction between 7 a.m. and 6 p.m. Cars must be moved at least one city block (one-tenth of a mile) every four hours. And cars must exit the Park by 10 p.m.

More Changes

The May meeting will be the last held at the Golden Gate Park venue. Permission has been sought to use the Education Classroom at the Howard Street facility – watch this space. Also under consideration are the Randall Museum Auditorium and SFSU. All suggestions welcome.

Electronic PCES

PCES is considering an electronic version of Bits & PCES, to be housed on the website as a PDF. A group email would be issued when the newsletter is updated. All members who'd prefer the electronic version, contact Vince Lee, vlee@calacademy.org. Society members without Internet access, or who prefer a hard copy, will remain on the snail mail list.

To Picnic, Or Not To Picnic?

This is a poll.

Should we have a picnic this year?

If so, should this be a day trip only?

Suggestions for venues?
